

CHOICE CARE GROUP

Easy Read

Who are we?

Choice Care Group is located across England and Wales.

We support people with learning disabilities, autism, mental health conditions and associated needs.

Choice Care Group offer residential and supported living services.

Our residential living services

Choice Care Group have over 60 residential services.

Each property is home to 4-13 people. You could share a home with others, but may have the option to live in your own annex or studio.

You will live in a home with people who need similar support.

Our supported living services

Supported living services enable people to live as independently as possible, in their own or a shared property.

You will have your own tenancy agreement.

The support provided can be more flexible, from a few hours each day to 24/7 care.

What types of support could you receive?

We will help you to budget and manage your money.

We will support you to do what you love or get involved in something new.

We will support you to find a college course, training or a job.

What types of support could you receive?

We will support you with personal living tasks such as eating, cleaning your teeth or taking a shower, if required.

We will support you to learn new skills, for example, cooking and healthy eating.

We will support you with shopping.

Specialist Support

You can access support from our PBS Team if this is right for you.

The PBS Team will provide different types of support, including keeping your care plan up to date.

The PBS team will help with any concerns you may have and provide specific support to you.

What is our Thrive Framework?

‘Thrive at Choice’ is our model of support to enable a positive experience for people to lead the lives they want to live.

The model is based on the views and experience of the people receiving support as well as those delivering care.

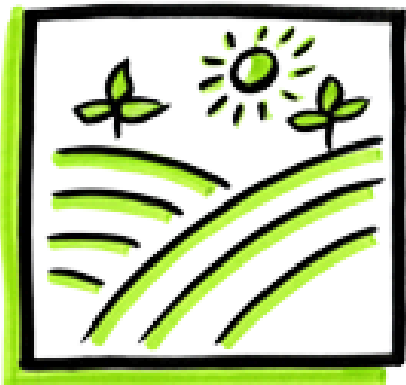

We support everyone in our care to live safe, happy, meaningful and fulfilled lives.

Our Thrive framework

Communities where everyone belongs

Leading the lives we want to live

Living in a place we call home

Our Thrive framework

Understanding and being understood

Sharing power as equals

Surrounded by people we trust
